Re: Purchase of 18 Rocky Creek Lane

Dear Billy,

I cannot thank you enough for the outstanding job that you performed for me on the purchase of my home last month. You were 100% full service, a complete professional with communication and negotiation skills that went far and above my expectations. Living out of the area I was concerned that things might be overlooked because you could not be hands on, which was definitely not the case! You negotiated a price that was far better than I ever dreamed of paying for the house. Your honesty, follow-through and follow up made all the difference. Buying the property was seamless due to your tremendous effort, knowledge and attention.

Please feel free to pass my name and number onto anyone who would like to talk to me personally regarding my feelings about you and my experience with you.

All best, and many thanks!!

Homeowner,

Chris Wesson
