Re: Sale of 1138 Rexford Place

Dear Wonderful Wynn's:

Simply Amazing! Alice and I can not believe our good fortune to have met you. Our home had been on the market for well over one year with another agent with an unsuccessful out come - we had not sold and we decided to make a change. We met you and your wife, Tamara, you outlined a recipe for success and we sold our home and closed escrow in 45 days from our first meeting. Most notable is that my family and I live in Washington - Tamara and you ran interference from a thousand miles away and we never noticed the distance. Your levels of communication, your consistency and follow through guaranteed our success.

Even though we do not live in the market anymore, Alice and I would recommend you to anyone who is looking for a realtor team that gets the job done. Feel free to pass our contact information on to anyone who would like to speak to us about you.

You're the best!

Thanks again,

*Mike & Alice*
