Dear Billy,

I want to thank you for all that you did to sell my house on Meadowcrest Rd in Sherman Oaks, CA. I really enjoyed working with you. I knew right from the start that you were wonderful at what you do. You made me feel comfortable through out the entire process and made sure that I knew what was going on at all times. You were very easy to contact when ever I had a question. I would highly recommend your services to any one looking for or needing to sell a house. I truly enjoyed working with you and feel that you friend as well as my realtor. Good luck in the future in everything you do.

Sincerely,
Marie
